SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	1/This case report is very interesting. However the situation in literature is a bit confusing. There are reports about proton pump inhibitors where adjunct treatment or complex interactions with other drugs is mentioned The authors could add a few lines discussing these findings and enrich literature with a few more relevant citations, see for example: http://ejournals.library.ualberta.ca/index.php/JPPS/article/view/22910/17117 2/ If possible, improve the sharpness of the microscopy images	Dear reviewer, Thank you very much for your help and kind comments. The required revisions for our manuscript are completed. We highlighted the changes in the manuscript by using coloured text in yellow. -Per your suggestion we added 3 new references (9-11) and a new paragraph in the discussion section. -Per your suggestion we revised figures

SDI Review Form 1.6

<u>Optional/General</u> comments	A very interesting case report. Well documented description supported with all necessary examinations	Thank you for your kindness and comments.
