SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Information in this study is helpful for urology surgeons. The manuscript is qualified enough to be accepted. Still, some minor revisions are required before publication.	
<u>Minor</u> REVISION comments	In page 1 line 17 (abstract): change to "Fifty-four hypospadias cases were included in the study" and in same page, line 17 and 18: The authors should remove "including 11 cases with uncompleted data" based in exclusion criteria. In page 3 (Materials and Methods) the authors should report descriptive statistic for the readers to be able to reproduce the results if required. In page 3 line 69 changed to "Fifty-four hypospadias cases had underwent urethroplasty from January 2012 to January 2014."	
<u>Optional/General</u> comments
