Editor's Comment:

Now it is good, though some typos need to be corrected. (eg. not "producing" but "causing" paraneoplastic Cushing's syndrome. The most common culprits are not "Small" but "small" cell lung carcinoma,)

Editor's Details:

Dr. Jeng-Shing Wang
Vice-Superintendent, Antai Medical Care Cooperation Antai Tian-Sheng Memorial Hospital, Taiwan
And Internal Medicine Department, Taipei Medical University, Taiwan
