Please, in the Title omit "in blacks". Abstract: please change the Methodology section in the following: The charts of patients seen during the study period were reviewed. Patients with age-related maculopathy were classified into wet and dry. Blindness and low vision were defined according to the world Health Organization definition. Figure 1: Please specify in the pie "scar" into the various types of maculopathy. If necessary add more colors. Figure 3 specify "arthrititis" in the legend Paragraph "discussion, first line" : Please omit "mortality " and the relative bibliography. Bibliography number 25 ?? it does not exist in such form..	'in blacks has been omitted. Methodology section in Abstract has been changed in 'The charts of patients seen during the study period were reviewed. Patients with age-related maculopathy were classified into wet and dry. Blindness and low vision were defined according to the world Health Organization definition. The different types of scar has been specified in Figure 1. I decided to use a bar chart instead. Arthritis has been specified in the legend Mortality has been omitted from line one of discussion together with reference 15 and the numbering in bibliography adjusted accordingly. Bibliography 25 which is now 24 having removed the one on line one of discussion has been replaced.
