SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1-The author mentioned in line 43 the results were presented in pie chart, histogram and tables --- what I found is only 2 figures. no pie chart .no tables 2-line 52 wrong grammar (were from women) and (were from men)? Must be corrected 3-line(110)the author mentioned of the 5 age groups ????? I did not find any table include distribution of patients according age groups 4- in line (118) the author mentioned statement (it was noticed that most of these had wounds in the eyes that had gone without proper treatment for long) it is not scientific terms ... he must mention type of ocular injury and what he mean by <u>gone</u> is it lost its vision or become phthisis bulbi 5- in line 121 the author mentioned (and sometimes soft wooden material s to remove insects and specks of dust from their eyes) it is known that ocular injury with grass or soft wooden materials this increase the risk of fungal infections and not bacterial	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	PLEASE CLARIFY THE ETHICAL ISSUE , IF ANY
