SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The orbital emphysema is a rare condition with some defined causes, but the high pressure water jet aetiology is not previously described. I think that the evolution and the clinical/imaging prognosis of this patient must be add on to the case presentation.	The prognosis and clinical images are already in the case presentation.
<u>Optional/General</u> comments
