SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Very well written, short report of a less frequently observed case. At line 40, authors should use either trademark over the name of Augmentin or replace it with generic name of drug combination. Except this, no other changes required.	
<u>Optional/General</u> comments	If authors feel in the interest of readers, could include in their article the anatomy of the region, role of the orbital septum, choroid and particular space involved in emphysema.
