subject: Re: Request for submit the update version of the manuscript no 2012 PRRI 2884

Dear Editor,

In the pdf version of the paper sent to me by the journal I noticed that, the empty boxes are only in the spaces before or after certain symbols, I changed the type of these symbols (selected in green) and transformed the word paper into pdf where I could not find any empty boxes or problem of this version. Kindly, find as attached file the corrected word and pdf versions of the paper.

Sincerely,

M.Korek
