

Dear Prof. Dr.

Your comments have been considered:

There, some important modifications have been made.

The paper has been revised in different stages.

All quantities (like $\vec{Q}, \vec{Q}_1, \dots$) have been defined.

For the presentation used is a famous one as ref. 25. That uses the technical as in this manuscript.

Finally, we hope that, the manuscript becomes suitable to publish.

Thanks for your time
