subject: RE: Request for submission revised paper version 2 manuscript no: 2012 PRRI 2998

Dear ZZZ,

I have corrected all the references according to the template of the Journal and the requirements of the reviewer except reference 36, I really searched hard to find the names of the co-authors of "Sakuragi" but I couldn't find them, so I left reference 36 as "S.Sakuragi et al" , I would like to thank the reviewer for correcting the references. Also please remove what is highlighted in red and leave what is highlighted in yellow, many thanks indeed.

Best wishes and regards.

Dr. Nouredine Amrane
