SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Please arrange the manuscript to: 1- Introduction 2- Theoretical equation 3- Experimental work 4- Result and discussion Put abstract	For compulsory revision comments, I put sections as the referee mentioned. <div style="text-align: right;">Abstract is already put</div> just below the address
<u>Minor</u> REVISION comments	Comment on the equations mentioned and connect the theoretical to the practical application of it waited.	(1) comment to practical application : I added one sentence in the very last Part of the manuscript. Namely, <div style="text-align: right;">"</div> On the other hand,.....a beneficial aspect as well". <div style="text-align: right;">(2)</div> Comment on the equations: Enough explanations are already given.
