|---|---|
| <p>The paper is beginning to take shape though the introduction still needs some re-structuring. Remove the sub-titles with Aim, objectives and just include these things in the section in a paragraph.</p> <p>The last section appears to be both a discussion and a conclusion to title it as such. Is are there any limitations? Plans for further work</p> | <p>The corrections have been made. Thanks for all efforts to make this manuscript better.</p> |
