

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Physical Review & Research International
Manuscript Number:	2013_PRR1_5813
Title of the Manuscript:	DEVELOPMENT OF DOUBLE MOULD VIBRATION – COMPACTOR BLOCK MOULDING MACHINE FOR DEVELOPING COUNTRIES

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Figures must be placed at their respective positions. A statement: “ Figure 1: Side View of the Machine”, and in all others, is vague. Name of the machine should be mentioned. Under design equations (3) to (12) full calculations are not required, if there is a database table showing all the parameters values, the results values are required only.	All corrections have been made.
