Subject: Re: Request for Editorial decision for manuscript number 2014_PSIJ_13628

The author of this article entitled

"Physics behind Modication of the Nuclear Lifetime by the y-ray Boomerang Effect" has satisfactorily responded to the reviewers comment for minor revision in his revised manuscript.

My decision is to publish the revised article as is.

Editor's Details:

Dr. Felix A. Buot

Center of Computational Materials Science,

George Mason University

University Drive, Fairfax, Virginia, USA
