Subject: Re: Request for final decision for manuscript number 2013_PRRI_5813

The authors have done necessary modification. This version is acceptable. However, they must fix little things which I have addressed in my previous comment (refer to No.3 (C) and (D)).

In the table on page 3,

1. There is a typo on "16. *umber of Revolution in RPM (N)*".

It should be "16. number of ..." instead of "*umber of ...*"

2. Show the unit for "17. Power"
