SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The article is well structured and clearly written. Cited literature is relevant.	
<u>Minor</u> REVISION comments	Even when the authors presented the problem very clearly, the discussion of the involved forces and/or types of bonds is missing. It would be interesting to include if, according to the situation, the involved forces are columbic, or include dipoles, etc.	
<u>Optional/General</u> comments
