Subject: R: Request for evaluation of revised paper, reference number: 2013_PSIJ_5713

The Authors said that they didn't receive the file where I indicated all my requests

Therefore, all my comments are still valid.

Since I spend some hours in reading and editing the file, I ask you to e-mail to the Authors both the attached files:

- the .pdf file is the file with the original comments
- the .doc file is the file with the new comments

After the Authors will have done all the corrections (both of the original comments and of the new comments), I will review the paper for you.
