PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<ol style="list-style-type: none"> 1. I have noticed reasonable amendments and improvements in the revised version of the paper. 2. I have also added few sentences in the main text where I felt necessary and highlighted in red colour. 3. Although, the paper is ready for publication but I must suggest to the editorial office to proof read the paper before publishing it. The single format is not adopted throughout the paper. Many grammatical errors have been noticed, for example, the use of COMMA, FULL STOP, BRACKETS, etc. are not used corrected. 4. Please find the attached paper having few corrections made by me and process it for formatting and grammar checking before publication.
