

**Editor's Comment:**

This manuscript is acceptable after comply with the following comments:

- (1) Do not use future tense in ABSTRACT, i.e. ....these characteristics will be tested.....  
change "...will be..." to "...were tested...".
- (2) It is better not to include an equation in the INTRODUCTION section. Move equation (1) to the section of THEORY. Reorganize the content of INTRODUCTION to three paragraphs.
- (3) The symbols used in the equations and descriptions should have the same fonts.
- (4) Check English spelling and grammar throughout the whole manuscript. For instance, revise ".....outlet Characteristics." to ".....outlet characteristics." in the CONCLUSION section.
