SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	<p>The topic addressed is very interesting, yet the paper requires a minor revision.</p> <p>1-The relation between quantum paradox and black hole is misleading in the manuscript and confusion and requires a careful re analysis. At this stage, many references are missed.</p> <p>After checking this point, I will be glad to give a positive decision</p>	<p>Dear Reviewer,</p> <p>In the revised version of the paper, the part, which concerns with the description of the black hole information paradox, has been completely rewritten and new references have been added. Please observe.</p> <p>Thank you very much for your positive decision.</p>
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
