SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The article is interesting and may be published. The main interest is in applied research and industrial application. If more detailed investigations carried out the article may have a great commercial interest in the cost efficiency of electrical energy.	Thanks for the reviewer's kind comment. Since this paper is an original research work, more detail investigations will be needed. We have improved the discussion part and the preliminary conclusion as highlighted in yellow colour.
