

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Physical Science International Journal</a>
Manuscript Number:	Ms_PSIJ_18787
Title of the Manuscript:	Effect of temperature on Structural, Magnetic and Dielectric Properties of Cobalt ferrite Nanoparticles Prepared via Co-precipitation Method
Type of Article	Original Research Article

**PART 2:**

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The authors have revised the paper with the incorporation of points suggested by the referees.</p> <p>Hence, the paper is recommended for publication.</p>	

**Reviewer Details:**

Name:	Anonymous
Department, University & Country	CSIR-Central Electrochemical Research Institute, India
